X

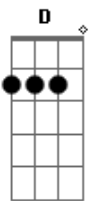

G A Bm
At the mirror you fix your hair and put your makeup on
G A Bm
You're insecure about what clothes to wear
G A
I can't see nothing wrong
G A Bm G A D
To me you look so beautiful when you can't make up your mind
G A Bm
It's half past eight, it's getting late
G A (G - Gb) --> just the bass line
It's OK, take your time
Em D2
Standing here my hands in my pockets
G A A A
Like I have a thousand times
Em D2
Thinking back it took one breath
G A
One word to change my life
D2 Bm
The first time I saw you
G A
it felt like coming home
D2 G A
If I never told you I just want you to know
You had me from hello
G A Bm

G A
When we walk into a crowded room
G A D
it's like we're all alone
G A Bm
Everybody tries to kidnap your attention
G A (G - Gb) --> just the bass line
You just smile and steal the show
Em D2
You come to me and take my hand
G A A A
We start dancin' slow
Em D2
You put your lips up to my ear
G A
and whisper way down low
D2 Bm
The first time I saw you
G A
it felt like coming home
D2 G A
If I never told you I just want you to know
D2
You had me from hello
C F
And when you're laying down beside me
Dm G
I feel your heartbeat to remind me...
D2 Bm G A
D2 G G A
D2 Bm
The first time I saw you
G A
it felt like coming home
D2 G A
If I never told you I just want you to know
You had me from hello
G A Bm
From Hello...
G A D2
