

Bon Jovi - You Wanna Make A Memory

Intro: C,G Hello again, it's you and me Kinda always like it used to be Sippin' wine, killing time Trying to solve life's mysteries How's your life, it's been a while God it's good to see you smile I see you reaching for your keys Looking for a reason not to leave G If you don't know if you should stay If you don't say what's on your mind Baby just breathe There's nowhere else tonight we should be You wanna make a memory? I dug up this old photograph

Look at all that hair we had. It's bittersweet to hear you laugh Your phone is ringing I don't wanna ask If you go now, I'll understand If you stay, hey, I've got a plan We're gonna make a memory You wanna steal a piece of time You can sing the melody to me And I can write a couple of lines You wanna make a memory? G G If you don't know if you should stay And you don't say what's on your mind Baby just breathe There's nowhere else tonight we should be We Should be You wanna make a memory You wanna steal a piece of time You can sing the melody to me

And I can write a couple of lines

You wanna make a memory? (x2)
