G D  
Dreamin' by the fire  
C G  
at the Gulf of Mexico  
Am C  
Somebody's playin' a lovesong

With a six string homesick tone

Memories of summer

the first time we made love

as if he wants to say

The words I whispered in my heart

Only yesterday

Like a secret door that opens

these words just set me free  
Am C  
And the promise left unspoken

G D  
was the owner of the key

Oh the Southern wind keep blowin'

please carry me back home

There's somebody who is waiting

and I've gotta let her know
