

# Bonnie Tyler - Belive In Me

Tom: G

Intro: G D Am C

You say you don't believe in signs from up above  
 And you laugh at the thought  
 Of putting your faith in stuff like love  
 You never see the rainbow, you just curse the rain  
 You say you wanna believe  
 But it's just not worth the pain today  
 But that's all fine if that's how you want it to be  
 But if you're feeling alone and afraid  
 And you can't breathe  
 Believe in me, yeah  
 Believe in me, yeah  
 Believe in  
 The way I look at you  
 And stand beside you  
 The way I speak the truth  
 I'd never lie to you  
 If you'd just believe in the things  
 That your eyes can't see  
 Believe in me  
 G D Am C

You come and you go and there's never no compromise

That's why  
 The seconds and the minutes of the days of your life  
 Go crawling by

But that's all fine if that's how you want it to be  
 But if you're feeling alone and afraid  
 And you can't breathe

REFRÃO 1X

What ya gonna do when your ship is sinking  
 And you're crying out for help and just the seagull's  
 listening  
 In the dark of the night, in the middle of the fight  
 When you're reaching out for something and there's nothing  
 Believe in me, yeah  
 Believe in me, yeah  
 The way I look at you  
 And stand beside you  
 The way I speak the truth  
 I'd never lie to you  
 If you'd just believe in the things  
 That your eyes can't see  
 Believe in me
