

Bonnie Tyler - You're The One

```
The one who keeps me dreaming
                           tom:
               Gm (forma dos acordes no tom de Em )
                                                              When I'm sad and tired
Capostraste na 3º casa
Intro: Em D C Bm
                                                              Who gives my life a meaning
                                                              Untill the day I die
Another rainy morning
                                                              [Solo] Em C D Bm Em C D Bm Bm C D Bm
People rushing by
 Em
My head is still in the clouds
      Bm
                                                                          Am
I dream with open eyes
                                                              Another rainy morning
                                                              People rushing by
Suddenly out of nowhere
                                                               Em
                                                              My head is still in the clouds Bm
She came into my life
Like we'd known each other
                                                              I dream with open eyes
                                                                             D
For quite a while
                                                              Suddenly out of nowhere
                                                              She came into my life
You're the one
That God had made for me
                                                              You're the one
   Em C
                                                               D
You're the one
                                                              That God had made for me
 D
                                                                   Em C
                                                              You're the one
Who's always in my dreams
                                                                D
The one who keeps me going
                                                              Who's mine eternally
     Bm
When I can't go on
                                                              The one who keeps me dreaming
The one that I've been waiting for
                                                              When I'm sad and tired
 D
For so long
                                                              Who gives my life a meaning
                                                              Untill the day I die
In the sound of silence \stackrel{\mbox{\footnotesize D}}{\mbox{\footnotesize D}}
The time is standing still
                                                              You're the one
 Em
                                                               D
There's some kind of bond between us
                                                              That God had made for me
 D Bm
                                                                  Em C
That's givin' me the chill C D
                                                              You're the one
Do you really wonder
                                                              Who's mine eternally
That we can burn the sky
                                                              The one who keeps me dreaming
It's written a thousand years ago \begin{array}{cc} \text{C} & \text{D} \end{array}
                                                              When I'm sad and tired
In the Book of Life
                                                              Who gives my life a meaning
                                                              Untill the day I die
You're the one
 D
                                                              [Final] Em C D
That God had made for me
                                                                      Em C D Bm
Bm C D Bm
Bm C D
    Em C
You're the one
Who's mine eternally
