E Em
Just be sure, uh
Am F C
Think I've stumbled on uncharted land, mhm
G Am F
I guess that means war, means war
E Em
Life

Am
I heard your commitment can turn to
F C
A sickness that I never seen, mmh
G Am F
And for sure ain't no cure, shit
E Em
I hope ain't no cure, uh
Am
If I told you my symptoms was trippin'
F
Don't fault my conviction
C G
From tension I felt on my core
Am
If I told you these feelings
F
I'm missing became my addiction
E Em
At this point I hope that you pure

Am F C G
Oh we should sky, sky, sky, skydive, uh
Am F
I just hope that you sure, uh
E Em
And I pray we secured, oh yeah
Am F C G
High, high, high, high tides, uh
Am F
You can never be sure, uh

E Em
I just hope we mean more

Am
We always in different spaces
F C
You take me out of my zone, I
G Am
Love how this passage ain't safe, why
F E Em
I swear I'm sure of the unknown, of the unknown
Am F
May this storm pass us never

C
And we redefine gravity and
G
Let this fall last forever

Crawl back whenever
Am F
All bad, this weather got us rowing
E Em
Where we land when we jump to conclusions

Mama called me stupid, she keep telling me
Am F C
"Boy, stop, don't drop, " yeah yeah
G
"You're playin' with fire, child"
Am F E
"Stop, don't drop, " yeah yeah
Em
"Just wait 'til it die"
Am F
But you don't know shit 'bout this flame
C G
It's lit in the midst of a rain
Am F
Of bein' addicted to pain
E Em
That's why I ain't ask to be saved, ayy

Am F C G
Oh we should sky, sky, sky, skydive, uh
Am F
I just hope that you sure, uh
E Em
And I pray we secured, oh yeah
Am F C G
High, high, high, high tides, uh
Am F
You can never be sure, uh
E Em
I just hope we mean more
