

# Born Without Bones - Cancelled

tom:  
Cm  
I'll try to stay out of your way  
Cm7 G7  
And admire you from across the room  
Ab7 Abm7  
Cause I love to stare at your face  
Cm7 G7  
I won't apologize for things that I did  
Cm7 Ab7 Abm7  
Or anything said as I expect you to do the same  
Cm7 G7 Ab7  
But don't forget that I'm the only one left  
Abm7  
Who still tries to get in your head

Cm7 G7  
I don't appreciate your fake smiles  
Ab7 Abm7  
I don't, I don't  
Cm7 G7  
I won't laugh at your stupid jokes  
Ab7 Abm7  
I won't, I won't  
Cm7 G7  
Has time broken your soul?  
Ab7 Abm7  
I think it's time for you to let go  
Ab Abm Cm Bb  
You're insane and cancelled in my brain

Cm7 G7  
And we both took our respective jokes  
Cm7 Ab7  
Too seriously but how long can you stay mad at me  
Abm7  
Without looking up  
Cm7 G7  
From the drunken slouch on the couch  
Cm7  
Sitting across from me  
Ab7 Abm7 Cm7  
Tell me is it really that easy to forget?  
G7 Ab7  
That I'm the only one left

## Acordes

Cm7 Bb  
When I don't even talk to you  
Ab  
You hear what I say  
Cm7 Bb  
And dismiss the things that I can't prove  
Abm  
I was such a fool to ever believe in you
