Now, if you're feeling kinda low
'Bout the dues you've been paying

Future's coming much too slow

And you wanna run but somehow
You just keep on staying

Can't decide on which way to go

Yeah, yeah, yeah

I understand about indecision

But I don't care if I get behind

People living in competition

All I want is to have my peace of mind

o-o-oh

Now you're climbing to the top of the company ladder

Hope it doesn't take too long

Can't you see there'll come a day when it won't matter

Come a day when you'll be gone

I understand about indecision

But I don't care if I get behind

Can't decide who they should be
