

# Bound by Law - It Is On

tom:  
Am  
Well you held me here for days, in this Godless place C  
G  
Where no sun, will ever come around Am  
Am C  
And your stone cold walls, they won't leak my calls  
G Am  
No window will show how, you got me down C  
Am C  
I played my kings high, to your straight queens  
G Am  
And now I'm down, beat, broken and lost

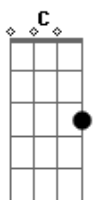

Am C  
So it is on, yeah it is on  
G Am  
You got me tied, down like a dog  
Am F  
So it is on, you got me down  
C G Am  
I am leashed to your chair and your crown  
Am C  
And you picked my scars, with your stone cold heart  
G Am  
Kept my mind astray in your endless halls  
Am C  
But I can sharpen my teeth, on these metal bars  
G Am  
I can harden my fists, on your walls

Am C  
So it is on, yeah it is on  
G Am  
You got me tied, down like a dog  
Am F  
So it is on, you got me down  
C G Am  
I am leashed to your chair and your crown
