 Making plans, upon the favourite and their foes

 Turn to rest, as he stood upon his nest

 Taking chance upon a chest that beat him dry

 Keep my soul my head's not coming back

(**E** **Gb** **E** **Gbm**)

Dbm **Gb**
 Now I don't intend to be the fallen one,
E
 I'll fight to keep them whole

 I've watched them a-dance upon the ceiling
 To complete their song

Dbm **Gb**
 It's not enough my friend to relegate

E
 Let's keep them on their toes,

Gb
 Let's keep the bigots from their properties
 Let's keep the rabbits in their homes

 Oh, and all alone
 The rabbits in their homes

A **E** **Gb**
 Oh, and all alone
 The rabbits in their homes

 Oh, and all alone
 The rabbits in their homes

 Oh, and all alone
