

Boy Kiss Girl - Bring It On Home

tom:

Intro: Bm A G

You got the sun in your eyes
You got the wind in your hair
But I think you're hurting inside, inside
You should be walking on air, baby

[Refrão]

Bm A G
It's about time that you give it up on you
'Cause switch up the world don't works
Don't let this town get you down
Bm A G
It's about time that you give it up on you
'Cause switch up the world don't works
Bm A G
The time is now, ye-yeah
When your body's running low, running low, low
Baby, bring it on home, bring it on home, bring it on home
When your body's running low, running low, low
Baby, bring it on home, bring it on home, bring it on home

Bm
Oh-oh, oh-oh-oh

Oh-oh, oh-oh-oh

You got the oceans to sail
You got the sands to explore
But you say you're destined to fail
I know you're destined for more, ye-yeah
