Boy - Up In This Town

Tom: C

    song name: up in this town
tabbed by: ScHrOeDeR

this for a while, but the only ones i could find were crap, so
i decided to tab it out
myself.

standard tuning: EADGBe
Intro: /main riff

Verse 1: play main riff 4 times then

Chorus

Chorus riff

Verse 2: first time play main riff 8 times before going into
          the next 2 chords, second time same as vrs 1

At end of vrs 2 and during interlude this is played sometimes
instead of main riff

Interlude: let this note ring while main riff keeps playing

After last chorus guitar 1   And guitar 2 ends on
ends on

There u have it. Just listen to the song and u can piece it
together
pretty easily.
