

## **Boyce Avenue - Closer**

```
Tom: G
                                                             From your roommate back in Boulder
                                                                      Em7
                                                             We ain't ever getting older
                           Afinação: D G C F A D
Capostraste na 2ª casa
[Intro/Riff] - 2x
                                                             C D Em7 D [Verso II]
         D Em7
                                                                  D Em7
[Verso/Tab] - Tocado por todos os versos
                                                             You look as good as the day I met you
                                                             I forget just why I left you,
[Verso I]
                                                             I was insane
                     Em7
Hey, I was doing just fine before I met you
                                                             Stay and play that Blink-182 song
I drink too much and that's an issue
D Em7 D
But I'm OK
                                                              That we beat to death in Tucson,
                Em7
Hey, you tell your friends it was nice to meet them
                D
                                                             [Pré-Refrão]
But I hope I never see them again
                                                              I know it breaks your heart
[Pré-Refrão]
I know it breaks your heart
                                                              Moved to the city in a broke-down car
                                                             C D And four years, no calls
Moved to the city in a broke-down car
And four years, no calls
                                                              Now you're looking pretty in a hotel bar
Now you're looking pretty in a hotel bar
                                                             And I, I, I, I can't stop
And I, I, I, I can't stop
                                                             No, I, I, I, I can't stop
                                                             [Refão]
No, I, I, I, I can't stop
[Refão]
                                                             So, baby, pull me closer
So, baby, pull me closer
                                                             In the back seat of your Rover
      Fm7
In the back seat of your Rover
                                                             That I know you can't afford
That I know you can't afford
                                                             Bite that tattoo on your shoulder
Bite that tattoo on your shoulder
                                                             Pull the sheets right off the corner
Pull the sheets right off the corner
                                                             Of that mattress that you stole
Of that mattress that you stole
                                                             From your roommate back in Boulder
                                                                       Fm7
                                                             We ain't ever getting older
```
