

## **Boyce Avenue - Here Without You**

```
Intro: Am F G
A hundred days have made me older Since
the last time that I saw your pretty face
A thousand lies have made me colder
And I don't think I can look at this the same
Am And all the miles that separate
 They Disappear now when I'm dreaming of your face
 I'm here without you baby
 But you're still on my lonely mind
I think about you baby and I dream
about you all the time
I'm here without you baby
But you're still with me in my dreams
And tonight , there's only you and me
The miles just keep rollin'
As the people leave their way to say hello
I've heard this life is overrated
But I hope that it gets better as we go oh yeah yeah
 I'm here without you baby
```
