

Boyce Avenue - Jumper

Tom: C

I wish you would step back from that ledge, my friend
 You could cut ties with all the lies, that you've been living in
 And if you do not want to see me again
 I would understand, i would understand

The angry boy, a bit too insane
 Icing over a secret pain
 You know you don't belong

You're the first to fight You're way too loud
 You're the flash of light on a burial shroud
 I know something's wrong

Well, everyone i know has got a reason
 To say put the past away

I wish you would step back from that ledge, my friend
 You could cut ties with all the lies, that you've been living in
 And if you do not want to see me again
 I would understand, i would understand

And well, he's on the table, and he's gone to code
 And i do not think anyone knows
 What they are doing here

And your friends have left you You've been dismissed

I never thought it would come to this
 And i, i want you to know

Everyone's got to face down the demons
 Maybe today we can put the past away

I wish you would step back from that ledge, my friend
 You could cut ties with all the lies, that you've been living in
 And if you do not want to see me again
 I would understand, i would understand

I would understand

 Can you put the past away?

I wish you would step back from that ledge, my friend
 You could cut ties with all the lies, that you've been living in
 And if you do not want to see me again
 I would understand, i would understand

I would understand
 And i would understand
