

# Boyce Avenue - Man In The Mirror

tom:

I'm gonna make a change  
For once in my life  
It's gonna feel real good  
Gonna make a difference  
Gonna make it right  
As I, turn up the collar on  
My favorite winter coat  
This wind is blowing my mind  
I see the kids in the streets  
With not enough to eat  
Who am I to be blind?  
Pretending not to see their needs  
A summer disregard  
A broken bottle top  
And a one man soul  
They follow each other on the wind ya' know  
'Cause they got nowhere to go  
That's why I want you to know  
I'm starting with the man in the mirror  
I'm asking him to change his ways  
And no message could have been any clearer  
If you wanna make the world a better place

Take a look at yourself, and then make a change  
(Na na na, na na na, na na, na nah)  
I've been a victim of a selfish kind of love  
It's time that I realize  
That there are some with no home, not a nickel to loan  
Could it be really me  
Pretending that they're not alone?  
A willow deeply scarred, somebody's broken heart  
And a washed-out dream  
They follow the pattern of the wind ya' see  
'Cause they got no place to be  
That's why I'm starting with me  
(refrão 2x)  
I'm starting with the man in the mirror  
I'm asking him to change his ways  
And no message could have been any clearer  
If you wanna make the world a better place  
Take a look at yourself, and then make that  
I'm starting with the man in the mirror  
I'm asking him to change his ways  
And no message could have been any clearer  
If you wanna make the world a better place  
Take a look at yourself, and then make a change
