

Boyce Avenue - Mr.brightside(cover)

```
Intro: (2x)
Coming out of my cage
And I've been doing just fine
Gotta gotta be down
Because I want it all
It started out with a kiss
How did it end up like this?
It was only a kiss
It was only a kiss
Now I'm falling asleep
And she's calling a cab
While he's having a smoke
And she's taking the drag
Now they're going to bed
And my stomich is sick
And it's all in my head
```

Acordes

```
But she's touching his chest now
He takes off her dress now
Let me go
And I just can't look
It's killing me
And taking control
Jealousy
Turning saints into the sea
Turning (swimming) through sick lullaby
Joking on your alibi
But it's just the price I pay
Destiny is calling me
Open up my eager eyes
