

Boyce Avenue - Ride The Wave

Tom: **Bb**

Bb
Sometimes when I feel low

F
I wish that I could know

Gm
The outcome of this life

Eb
The path for you and I

Bb
But then I realize

F
The beauty of it lies

Gm
Within the mystery of a life choose to lead

Eb
We gotta get up, we gotta get up now

F
The ride is always worth the rush

Gm
We can't give, we can't give up now

Eb
Our love will always be enough

Bb
The tides will rise and fall

F
Some days you will feel small

Gm
But ride the wave

Eb
I'll ride it in with you

Bb
If we should wash ashore

F
I'll fight for you once more

Gm
Just ride the wave

Eb
I'll ride it in with you

Bb
I'll ride it in with you

F
I'll ride the wave with you

Bb
With our feet in the sand

F
And my heart in your hands

Gm
I cannot comprehend

Eb
How one day it all could end

Bb
But I guess that's how it goes

F
Nobody ever knows

Gm
How long this life will last

Eb
So while we have the chance

Bb
