Intro: G Bm Em C

G
I met you in the dark
Bm
You lit me up
Em
You made me feel as though
C
I was enough

G
We danced the night away
Bm
We drank too much
Em
I held your hair back when
C
You were throwing up

G
Then you smiled over your shoulder
Bm
For a minute, I was stone cold sober
Em C
I pulled you closer to my chest
G
and you asked me, to stay over
Bm
I said, I already told ya
Em C
I think that you should get some rest

G
I knew I loved you then
Bm
But you'd never know
Em
Cause I played it cool when I was
C
Scared of letting go
G
I know I needed you
Bm
But I'll never show
Em
I wanna stay with you
C
Until we're grey and old
G Bm
Say you won't let go
Em C
Just say you won't let go

G
I'll wake you up with some
Bm
breakfast in bed
Em C
I'll bring you coffee with a kiss on your head

G
I'll take the kids to school
Bm

wave them goodbye
Em C
And I'll thank my lucky stars, for that night
G
When you looked over your shoulder
Bm
For a minute I forget that I'm older
Em C
I wanna dance with you right now

G
And you look as beautiful as ever
Bm
And I swear that every day'll get better
Em C
You make me feel this way somehow

G
I'm so in love with you
Bm
And I hope you know
Em C
Darling your love is more than worth its weight in gold

G
We've come so far my dear
Bm
look how we've grown
Em C
and I wanna stay with you till we're grey and old
G Bm
Just say you won't let go
Em C
Just say you won't let go

G
I wanna live with you
Bm
even when we're ghosts
Em
you were always there for me
C
when i needed (you) the most

G
Cause I'm gonna love you till
Bm
My lungs give out
Em
I promise till death we part
C
Like in our vows

G
So I wrote this song for you
Bm
now everybody knows
Em C
that it's just you and me till we're grey and old

G Bm
Just say you won't let go
Em C
Just say you won't let go
G Bm
Just say you won't let go
Em C
Just say you won't let go
