

Boyce Avenue - Say You Won't Let Go

Tom: **B**
Intro: **B Ebm Abm E**

B Ebm
I met you in the dark

Abm
You lit me up

E
You made me feel as though

I was enough
B Ebm
We danced the night away

Abm
We drank too much

I didn't know that I was
E
Ready for love

B Ebm
Then you smiled over your shoulder

Abm
For a minute, I was stone cold sober

E
I pulled you closer to my chest

B Ebm
And you asked me to stay over

Abm
I said, I already told ya

E
I think that you should get some rest

B Ebm
I knew I loved you then

Abm
But you'd never know

Cause I played it cool
E
When I was scared of letting go

B Ebm
I know I needed you

Abm
But I never showed

But I wanna stay with you
E
Until we're grey and old

B Ebm
Just say you won't let go

Abm E
Just say you won't let go

B Ebm Abm
I wake you up with some breakfast in bed

I'll bring you coffee
E
With a kiss on your head

B Ebm
And I'll take the kids to school

Abm
Wave them goodbye

E
And I'll thank my lucky stars for that night

B Ebm
When you looked over your shoulder

Abm
For a minute, I forget that I'm older

E
I wanna dance with you right now, oh

B Ebm
And you look as beautiful as ever

Abm
And I swear that everyday you'll get better

E
You make me feel this way somehow

B Ebm
I'm so in love with you

Abm
And I hope you know

Darling your love is more
E
than its worth in gold

B Ebm
We've come so far my dear

Abm
Look how we've grown

And I wanna stay with you
E
Until we're grey and old

B Ebm
Just say you won't let go

Abm E
Just say you won't let go

B Ebm
I wanna live with you

Abm
Even when we're ghosts

Cause you were always there for me
E
When I needed you most

B Ebm
I'm gonna love you till

Abm
My lungs give out

I promise till death we part
E
Like in our vows

B
So I wrote this song for you

Ebm Abm
Now everybody knows

Cause it's just you and me
E
Until we're grey and old

B Ebm
Just say you won't let go

Abm E
Just say you won't let go

B Ebm
Just say you won't let go

Abm E B
Oh, just say you won't let go

Acordes
