

Boyce Avenue - Use Somebody

Tom: C

I've been roaming around
 Always looking down at all I see
 Painted faces, build the places I can't reach
 You know that I could use somebody
 You know that I could use somebody
 Someone like you, and all you know, and how you speak
 Countless lovers under cover of the street
 You know that I could use somebody
 You know that I could use somebody
 Someone like you
 Someone like you
 Off in the night, while you live it up, I'm off to sleep
 Waging wars to shake the poet and the beat

I hope it's gonna make you notice
 I hope it's gonna make you notice
 Someone like me
 Someone like me
 Someone like me, somebody
 I'm ready now
 I'm ready now
 I'm ready now
 I'm ready now
 I'm ready now
 I've been roaming around
 Always looking down at all I see
 Painted faces, build the places I can't reach
 You know that I could use somebody
 You know that I could use somebody
