G Girl no one else would do

G Hot little figure, yes you a winner, and
F I'm so glad to be yours
G You're a class of your own and

F You mean to me what I mean to you
G And together baby there is nothing we won't do
Am 'Cause if I got you, I don't need money
F I don't need cars, girl you're my all

C

G No one else would do
F 'Cause with every kiss and every hug
G You make me fall in love, and now
C I know I can't be the only one
F I bet there's hearts all over the world tonight
G With the love of their life who feel

What I feel when I'm
