tom:

Intro: C

[Primeira Parte]

C
In a rainstorm

Suckin' down a dart on the back porch

Out here, it gets so dark

You can see the stars, the ones

The headlines said, this morning

Were bein' spat out by what we thought

Was just destroyin' everything for good

(C D F)
(G C F)

[Segunda Parte]

C D F
White teeth, black light, white tea, brown eyes

G C F
Bad boy, big fight, you're a good guy

Good day, good night, good talk, goodbye

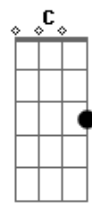

G C F
It's out of your hands, but have a safe flight

C D F
My thoughts, all noise, fake smile, decoys

Sometimes, I need to hear your voice
