

Boygenius - Cool About It

tom:

C

Met you at the dive bar to go shoot some pool

Em

And make fun of the cowboys with the neck tattoos

C

Ask you easy questions about work and school

I'm trying to be cool about it

G

Feelin' like an absolute fool about it

F

Wishin' you were kind enough to be cruel about it

G

Tellin' myself I can always do without it

F

Knowing that it probably isn't true

I came prepared for absolution if you'd only ask

Em

So I take some offense when you say: No regrets

C

I remember it's impossible to pass your test

Dm

But I'm trying to forget about it

G

Feelin' like I'm breaking a sweat about it

F

Wishin' you would kindly get out of my head about it

G

T?llin' myself one day I'll forget about it

F

Knowing that it probably isn't tru?

Once, I took your medication to know what it's like

Em

And now, I have to act like I can't read your mind

C

I ask you how you're doing and I let you lie

But we don't have to talk about it

G

I can walk you home and practice method acting

F

I'll pretend bein' with you doesn't feel like drowning

G

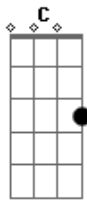

Tellin' you it's nice to see how good you're doing

F

Even though we know it isn't true
