

# Boygenius - Me And My Dog

tom:

Intro: <sup>F</sup> <sup>C</sup>

[Primeira Parte]

We had a great day  
Even though we forgot to eat  
And you had a bad dream  
Then we got no sleep  
'Cause we were kissing

[Segunda Parte]

I had a fever  
Until I met you  
Now you make me cool  
But sometimes I still do  
Something embarrassing

[Refrão]

I never <sup>C</sup> said I'd be <sup>G</sup> all <sup>F</sup> right  
<sup>C</sup> <sup>G</sup> <sup>F</sup>

Just thought I can hold myself together  
But I couldn't breathe, I went outside  
Don't know why I thought it'd be any better  
I'm fine now, it doesn't matter

I didn't wanna be this guy  
I cried at your show with the teenagers  
Tell your friend I'll be all right  
In the morning it won't matter

I wanna be emaciated  
I wanna hear one song without thinking of you  
I wish I was on a spaceship  
Just me and my dog and an impossible view

[Final]

I dream about it  
And I wake up falling

## Acordes
