

Boygenius - True Blue

Intro: ^G ^{Cadd9} ^G ^{D7}
^G ^{Cadd9} ^G ^{D7}

[Primeira Parte]

You said you wanted to feel alive
 So we went to the beach
 You were born in July, '95
 In a deadly heat
 You say you're a winter bitch
 But summer's in your blood
 You can't help but become the sun

[Segunda Parte]

When you moved to Chicago
 You were spinnin' out
 When you don't know who you are
 You fuck around and find out
 When you called me from the train
 Water freezin' in your eyes
 You were happy and I wasn't surprised

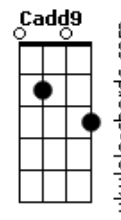

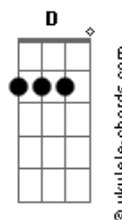

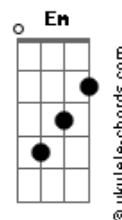

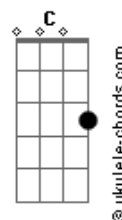

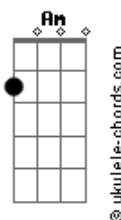

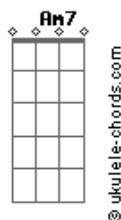

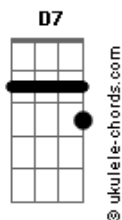

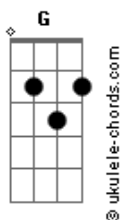

[Refrão]

And it feels good to be known so well
 I can't hide from you like I hide from myself

[Terceira Parte]

Now you're movin' in breakin' a sweat
 On your upper lip

Acordes

And gettin' pissed about humidity
 And the leaky faucet
 You already hurt my feelings three times
 In the way only you could

[Refrão]

But it feels good to be known so well
 I can't hide from you like I hide from myself
 I remember who I am when I'm with you
 Your love is tough, your love is tried and true blue, blue
 (G Cadd9 Am7 D)
 (G Cadd9 Am7 D)

[Ponte]

You've never done me wrong
 Except for that one time
 That we don't talk about
 Because it doesn't matter anymore
 Who won the fight? I don't know
 We're not keeping score

[Refrão]

And it feels good to be known so well
 I can't hide from you like I hide from myself
 I remember who I am when I'm with you
 Your love is tough, your love is tried and true blue

[Final]

Blue, blue, blue
