

Boys Like Girls - Heels Over Head

Tom: E

I got your runaway smile in my piggybank baby
 Gonna cash it right in for a new Mercedes
 You were worth the hundred thousand miles
 But you couldn't stay awhile
 I got your little brown shirt in my bottom drawer baby
 And your little white socks in the top drawer
 You were always leaving your shit around
 And gone without a sound
 Yeah I'm the first to fall, and the last to know
 Where'd you go?
 Now I'm heels over head,
 I'm hangin' upside-down
 Thinkin' how you left me for dead
 California bound
 I got a first class ticket to a night all alone
 And a front row seat up right by the phone
 'Cause you're always on my mind
 And I'm running out of time
 Ive got your hair on my pillow and your smell in my sheets
 And it makes me think about you with the sand in your feet
 Is it all you thought it'd be?
 You mean everything to me
 Yeah I'm the first to fall, and the last to know
 Where'd you go?
 Now I'm heels over head,
 I'm hangin' upside-down
 Thinkin' how you left me for dead
 California bound
 And when you hit the coast
 I hope you think of me
 And how I'm stuck here with the ghost

Of what we used to be
 You're burnin' bridges baby (burnin' bridges)
 Make your wishes
 Yeah you're burnin' bridges baby (burnin' bridges)
 Make your wishes
 You're burnin' bridges baby (burnin' bridges)
 Make your wishes
 Yeah you're burnin' bridges baby (burnin' bridges)
 Make your wishes
 You're a chance taker, heartbreaker,
 Got me wrapped around your finger
 Chance taker, heartbreaker,
 Got me wrapped around your finger
 I got your runaway smile in my piggybank baby
 Gonna cash it right in for a new Mercedes
 You were worth the hundred thousand miles
 But you couldn't stay awhile?
 Now I'm heels over head,
 I'm hangin' upside-down
 Thinkin' how you left me for dead
 California bound
 And when you hit the coast
 I hope you think of me
 And how I'm stuck here with the ghost
 Of what we used to be
 Now I'm heels over head,
 I'm hangin' upside-down
 Thinkin' how you left me for dead
 California bound
 And when you hit the coast
 Maybe you'll finally see
 And then you'll turn it all around
 And you'll come back to me
