tom:
Ab (forma dos acordes no tom de A)
Afinação: Eb Ab Db Gb Bb Eb

Intro: A E D

[Primeira Parte]

A Look up the stars are fading
E And I am still here waiting
D To see you again
Be with you my friend
A When the moon is gone forever
E I hope you're up there somewhere
D I'll see you again
Be with you my friend

[Pré-Refrão]

E Cause all the roads they
Gb Lead to where you are
E And all the streetlights
D Shine like they were stars
That's where you are

[Refrão]

A Let's spend tonight
D On top of the world
And we can do anything
We can be anything
A I'll meet you tonight
D On top of the world
As real as it seems
You're only in my dreams

[Interlude] A

[Segunda Parte]

A Look out across the water
E Faces of lonely daughters
D And mothers who care
But just can't be there
A Swear that I will see you someday
E I have to find a way
D To show you I care
Even if you're not there

Acordes

[Pré-Refrão]
