(1ª Parte)

'Cause this is the real thing

Love changes everything

This is night when every heart's exploding

The real thing

Slow down; it's happening

'Cause you got time to burn

In the heat of the moment  
(2ª Parte)

That summer radio

Fireworks off the patio  
3 AM, string of green lights in a row  
(3ª Parte)

And the real thing

Love can change anything

If you can just let go

Let's go
