

Boys Like Girls - Someone Like You

Tom: **F**

(Intro) **F Bb**

F
I'm wearing thin

Bb
I couldn't tell you the city I'm in
The streets and the buildings

F
And places I've been

Bb
Or when the stars go when it's daylight again
Or where the time went

C Bb
Oh, who can save me now?

F Bb
My life in the rearview

Bb
I'm runnin' from Jesus
Dm C Bb
Don't know where I'm going to

F Bb
I got nothin' to lose

Bb
I'm fightin' my demons
Dm C Bb
Been lookin' for someone like you

Dm C Bb
I've been lookin' for someone like you

F Bb
So sing me a song I know all the words to
And I'll sing along

Could you be my savior?

F
I've been out here too long

Bb
And I've just been lookin' for somewhere to belong
Barely holdin' on

C Bb
So can you save me now?
(Chorus)

Dm Bb
When the stars explode

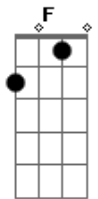

Dm Bb
And I'm all alone

Dm
When they start to see the smoke

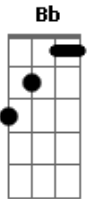

Bb
When I finally burn out

Dm Bb
I'll need someone to carry me home
Safe and sound
(Chorus x2)
