

# BoyWithUke - Animal Crackers

tom:

Intro: C C7M Am G

[Primeira Parte]

I have Animal Crackers  
And the birthday cake  
That I bought from Walmart  
Got all of my lanterns to turn green  
And I'll wait until sunset  
For you to open your invitations  
Don't want you to think  
I'm a creep

[Refrão]

Please don't run away from me  
I got chicken wings fried in canola oil to bring  
I close my eyes  
So I won't feel the hurt  
I won't see  
I bite my tongue  
I hope that you would come  
I can't breathe

[Segunda Parte]

And when I thought that  
I could try and send out invitations  
I realized that nobody likes me  
Party's in the basement

I still have lots of cake leftover  
I don't wanna say it  
But I'm complacent, I will stay and  
I will make the payments so

[Refrão]

Please don't run away from me  
I got chicken wings fried in canola oil to bring  
I close my eyes  
So I won't feel the hurt  
I won't see  
I bite my tongue  
I hope that you would come  
I can't breathe

[Ponte]

La la la la-la la la-la la la  
La la la la-la la la-la la la

[Refrão Final]

Please don't run away from me  
I got chicken wings fried in canola oil to bring  
I close my eyes  
So I won't feel the hurt  
I won't see  
I bite my tongue  
I hope that you would come  
I can't breathe
