

# BoyWithUke - Babydoll

tom:  
Capostrate na 5ª casa  
Intro: F G C Am

Ooh  
You got them purple socks  
With the Llamas

On them  
Must've missed your call  
And the drama all up  
In between the walls  
Of Nirvana, wanna  
Make it all my fault?  
Make a scene?

[Pré-Refrão]

Babydoll  
Watch me fall  
Oh, we could've had it all  
Take me down  
Watch me drown  
Clean the writing on the wall  
Let the rain  
Hit my face  
I've been calling out your name

Pull the trigger  
Run away

Run away  
Run away

[Refrão]

No, I don't think we should hang out  
I get confused when you're around  
It's crazy as hell to say, I know  
But I think it's time to let you go

[Ponte]

Ooh Ooh Oh-oh-oh-oh

Ooh Oh  
I think it's time to let you go  
I think it's time to let you go

## Acordes

Baby, you're making the day go  
By so slow, I may be mistaken  
Waiting for moves to be made despite  
These woes I need to be patient  
Lately I seem to be late for  
Everything I wish I could fake it

You say I'm hard to be there for  
But your heart was always so vacant

But I think it's time to let you go  
If only I met you in my dreams  
If only I were still asleep  
You showed up at 10, I left at 9  
'Cause you're the right one at the wrong time
