(Ooh, oh, no, no, no, no, oh)
(Ooh, no, no, no, no)
Half of my heart wants what we had again
Falling apart thinking what could've been
Don't make it harder than it has to be
Baby please, I don't think we can be friends
Half of my heart wants what we had again
Falling apart thinking what could've been
Don't make it harder than it has to be
Baby please, I don't think we can be friends
I just want to stop, had enough
Out of love and out of luck
I don't wanna give a fuck about my feels
Dozing off, emotionally uninvested
Resting for the day to come
Try my hardest not to run away
From everything I've done
But I'm looking back

Ignoring facts
I see two moons, but walk six paths
Inside my head
I'm going mad for you
Half of my heart wants what we had again
Falling apart thinking what could've been
Don't make it harder than it has to be
Baby please, I don't think we can be friends
I just want to go (go, go, go)
Just wanna go, (baby)
Don't want to take it slow (oh, oh)
(Baby slow) (take it slow)
I just want to go (go, go, go)
Just wanna go, (baby)
Don't want to take it slow (oh, oh)
(Baby slow) (take it slow)
Half of my heart wants what we had again
Falling apart thinking what could've been
Don't make it harder than it has to be
Baby please, I don't think we can be friends
