Ooh, ooh

Ooh, ooh

[Primeira Parte]

F7M

We walked through the door of our new apartment

Am

We're laughing the whole time

C

I hold your hands in mine, and we share a smile

F

A box in hand and you in the other

Am

You smell like lavender, like my mother

C

And then, the light turns green

[Refrão]

F7M

What have I done?

Am

C

Have I made a mistake?

C7M

F7M

'Cause I can't remember why I feel this way

Am

C

Our life flashes by, as I drive away

But my home is not my home no more

F7M

My home is now my grave

[Pós-Refrão]

Ooh, ooh

Am C

Ooh, ooh

[Segunda Parte]

F7M

The gifts you gave me, I'll keep them safe

Am

Though bittersweet in their aftertaste

C

Em

So many songs that'll never sound the same

F7M

Stuffed animals that used to light up the room

Am

Felt like how I fell out of love with you

C

Out of sight, but I see you everyday

[Pré-Refrão]

F7M

Oh, why the hell do I keep recalling

Am

The good, the great, I had all I wanted

C

Em

How on earth did I lose it in a day?

F7M

I left my sweatshirt at her place

Am

I'm turning back to my old ways

C

Can't keep commitments

I'm the same as what I hated

F7M

Ain't it funny how we change?

[Refrão]

Am

What have I done?

C

Have I made a mistake?

C7M

F7M

'Cause I can't remember why I feel this way

Am

Our life flashes by, as I drive away

But my home is not my home no more

F7M

My home is now my grave

[Pós-Refrão]

Ooh, ooh

I never knew

F7M

All this love was new to me

Am C

Ooh, ooh

I never knew, oh

What it would do to me

F7M Am C

Ooh, ooh

I never knew

F7M

All this love was new to me

I never knew

F7M

What it would do to me

F7M

What have I done?

Am

I've made a mistake

C

'Cause I can't remember, no I can't remember

C7M

F7M

Why I feel this way, life flashes by

As I drive away

My home is not my home no more

I hate that I lost everything
