

# BoyWithUke - Psycho

tom: Dm

[Primeira Parte]

Tobi tells me lies when I'm sleep deprived  
 Tobi says that I'm the worst of my kind  
 The voice that trails behind makes me petrified  
 Thinking I won't live to see 25

( Dm )

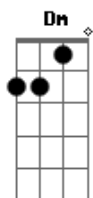

[Refrão]

They tell me I should go, go, go, go  
 They say I have no home, no home  
 They tell me I should go, go, go, go  
 They tell me I'm a psycho, psycho

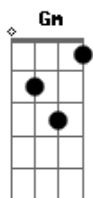

[Pré-Refrão]

Sweatshirt's dirty  
 My friends hurt me  
 My girlfriend is flirting with another dude  
 Tobi tells me that he doesn't like her attitude

( A Dm )

[Segunda Parte]

Through all this pain  
 I fear my health  
 Are you insane?  
 Why you calling for help?  
 After all this time we've spent together  
 You really gotta leave me cooped up all to myself

[Terceira Parte]

With all this pain and suffering  
 I let the raindrops hit my friends  
 Excuse myself from the kitchen table  
 I don't have a clue of what you want me to do

[Refrão]

They tell me I should go, go, go, go  
 They say I have no home, no home  
 They tell me I should go, go, go, go  
 They tell me I'm a psycho, psycho
