

BoyWithUke - She Said No

tom:

[Primeira Parte]

B
Stood together outside, I don't even know what
Eb7
Was going through my mind, now I think it was love **Eb**
Abm
I never knew I could find someone who I thought was dumb
E
But made my heart go, "Ba-da-dum, ba-da-dum"
B
Eb
And I was so scared for my life, but I said that I would
rather try
Abm E
And I'm pretty sure I'm out of time (Hahaha)
B
And I throw my meds straight into the mud
Eb
'Cause it doesn't seem to help me when I'm falling in love
Abm
And my stomach hurts, but I don't mention the blood
E
I think I might need a doctor for the mess that I've become
B
Oh, I found it hard to breathe
Eb
It's getting dark out, don't you think?
Abm
Tell me or is it just me?

[Refrão]

Abm
Then she took my coat 'cause it was cold
E
And we took pictures with her phone
B Bm Eb
She left her Polaroid at home
E
I texted all my friends I wrote
Abm
That I was falling for this girl
E
Her eyes were glowing, Hazel pearls
B
I told her that she was my world
Eb Bm Abm Abm E
And she said, yeah, she said no

[Pós-Refrão]

E B Eb

Am E Abm Abm E

[Segunda Parte]

E B
You probably don't give a fuck who I am
B
I don't blame you, I hate me too
Eb
But I can't do a lot to change it

E
Or the thoughts in my head
B Abm
I am faceless, I'm nameless, I'm better off dead
E
That's too far, I'm so sorry, please excuse my mess
B
I'm so stupid, so worthless, I won't do it again
Eb
That I promise you, I'm just a boy with a pen
Abm
And a ukulele, is it not evident
E
That I'm broken, I'm frozen, I'm stuck in my bed (Oh)
B
I was hoping you'd open me up (Oh-oh)
Eb
But instead my emotions took over my mind (Oh)
Abm
And I said that I hate you (Oh)

I hate that I wish you were dead (Oh-oh)
