I'll start a fight

I'll tell your friends
That I lost my mind
Gbm
And it'll take a while
But I'll start to smile
A
Broke your windows
E
Broke your tiles, frozen willows
Go for miles
Bm
Hope to let go
Yeah that's a start
Gbm
And you don't know

A
Where my soul's headed

And I'm forgetting you
So I say

A
Cuts deeper as my head goes nuts
E
I'll be a believer if I ever see trust
I must be disgusting rust
Bm
God I hate myself
I just wanna unplug
[Pré-Refrão]
Gbm
Yeah fuck no
A
I go where I want to
E
But I'm stuck in my bedroom
Bm
I'm telling lies to keep myself
Gbm A
From hurting those around you
E
Yeah after all these years, I found you
Bm
I found you
Again
[Refrão]
Gbm A
Sorry please excuse me for my mess
E
My hearts been pouring through my chest
