[Segunda Parte]

Em G  
I don't feel serene

D Am  
No I don't feel too clean

Em G  
And I don't want to be the one to make you cry

D  
On plain sight

I'll start a fight

Am  
I'll tell your friends

That I lost my mind

Am  
And it'll take a while

But I'll start to smile

G  
Broke your windows

D  
Broke your tiles, frozen willows

Go for miles

Am  
Hope to let go

Yeah that's a start

Em  
And you don't know

G  
Where my soul's headed

D Am  
And I'm forgetting you

So I say

[Refrão]

Em G  
Sorry please excuse me for my mess

D  
My hearts been pouring through my chest

Am  
I fell through corridors of broken floors

Em  
I'm sorry that I left

G  
Fell asleep in my new bed

D  
I can't feel happy in my head

Am  
I see two moons and nothing more

I close my door

Em  
I'm left with less

( G D Am )  
( Em G D Am )

[Terceira Parte]

Em  
Left, right, my eye's sight is deminishing

G  
My life sucks at night I tried to finish it

D  
Early, pearly, whites get blurry

Am Em  
Surely I'll go bite the dirty dust

G  
Cuts deeper as my head goes nuts

D  
I'll be a believer if I ever see trust

I must be disgusting rust

Am  
God I hate myself

I just wanna unplug

[Pré-Refrão]

Em  
Yeah fuck no

G  
I go where I want to

D  
But I'm stuck in my bedroom

Am  
I'm telling lies to keep myself

Em  
From hurting those around you

G D  
Yeah after all these years, I found you

Am  
I found you

Again

[Refrão]

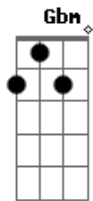

Em G  
Sorry please excuse me for my mess

D  
My hearts been pouring through my chest

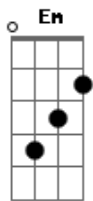

I fell through corridors of broken floors  
 I'm sorry that I left  
 Fell asleep in my new bed  
 I can't feel happy in my head

I see two moons and nothing more  
 I close my door  
 I'm left with less  
 [Final]
