## **BoyWithUke - Two Moons**

Yeah that's a start tom: Em Gbm (forma dos acordes no tom de Em ) Capostraste na 2ª casa D [Primeira Parte] G So I say Two moons, I can feel myself start [Refrão] Catching on fire Am Fm You knew, yeah you kept it To yourself, to your self Two moons, I get lost on my way D Searching for liars Am This ain't good for my health No this ain't good for my health [Refrão] Fm Sorry please excuse me for my mess My hearts been pouring through my chest Am I fell through corridors of broken floors I'm sorry that I left Fell asleep in my new bed Fm I can't feel happy in my head I see two moons and nothing more I close my door I'm left with less (GDAm) (Em G D Am) (Em G D Am) (Em G D Am) Am [Segunda Parte] G I don't feel serene No I don't feel too clean G Fm And I don't want to be the one to make you cry D On plain sight I'll start a fight I'll tell your friends That I lost my mind And it'll take a while But I'll start to smile Again G Broke your windows [Refrão] D Broke your tiles, frozen willows Go for miles Hope to let go My hearts been pouring through my chest

And you don't know Where my soul's headed Am And I'm forgetting you Sorry please excuse me for my mess My hearts been pouring through my chest Am I fell through corridors of broken floors I'm sorry that I left Fell asleep in my new bed I can't feel happy in my head I see two moons and nothing more I close my door I'm left with less (GDAm) (EmGDAm) [Terceira Parte] Left, right, my eye's sight is deminishing My life sucks at night I tried to finish it Early, pearly, whites get blurry Surely I'll go bite the dirty dust Cuts deeper as my head goes nuts I'll be a believer if I ever see trust I must be disgusting rust God I hate myself I just wanna unplug [Pré-Refrão] Yeah fuck no I go where I want to But I'm stuck in my bedroom Am I'm telling lies to keep myself Em From hurting those around you Yeah after all these years, I found you I found you Sorry please excuse me for my mess
