[Primeira Parte]

^{G7M}G7M ^{C7M}C7M
There was a time, when I thought life was over and out
^{G7M}G7M
When you went away from me
^{C7M}C7M
My dying heart made it hard to breathe
^{G7M}G7M ^{C7M}C7M
Would sit in my room because I didn't want to have to go out
^{G7M}G7M
And see you walking by
^{C7M}C7M
One look and I'd break right down and cry

[Pré-Refrão]

^{Em7}Em7
Now you say that you made a big mistake
^{Bm7}Bm7
Never meant to take your love away
^{Am7}Am7
But you can save your tired apologies
^DD ^{Dadd9}Dadd9
Cause it may seem hard to believe

[Refrão]

^{C7M}C7M ^DD ^{Bm7}Bm7 ^{Em7}Em7 ^{Am7}Am7
But I, I'm doin' just fine, getting along very well
^DD ^{Em7}Em7
Without you in my life (I don't need you in my life)
^{C7M}C7M ^DD ^{Bm7}Bm7 ^{Em7}Em7
But I, I'm doin' just fine
^{F7M}F7M
Time made me stronger
^DD ^{C7M}C7M ^{Em7}Em7 ^DD
You're no longer on my mind

[Segunda Parte]

^{G7M}G7M ^{C7M}C7M
You were my earth, my number one priority
^{G7M}G7M
I gave my love to only you
^{C7M}C7M
Anything you'd ask of me, I would do
^{G7M}G7M
But somewhere down the road
^{C7M}C7M
You felt a change in the weather and told
^{G7M}G7M
Me that you had to journey on
^{C7M}C7M
A kiss in the wind and your love was gone, all gone

[Pré-Refrão]

^{Em7}Em7
Now you say that you made a big mistake
^{Bm7}Bm7
Never meant to take your love away
^{Am7}Am7
But you can save your tired apologies
^DD ^{Dadd9}Dadd9
Cause it may seem hard to believe
