[Primeira Parte]

<sup>G</sup> <sup>C</sup>  
There was a time, when I thought life was over and out  
When you went away from me  
My dying heart made it hard to breathe  
<sup>G</sup> <sup>C</sup>  
Would sit in my room because I didn't want to have to go out  
And see you walking by  
One look and I'd break right down and cry

[Pré-Refrão]

<sup>Em</sup>  
Now you say that you made a big mistake  
<sup>Bm</sup>  
Never meant to take your love away  
<sup>Am</sup>  
But you can save your tired apologies  
<sup>D</sup> <sup>Dadd9</sup>  
Cause it may seem hard to believe

[Refrão]

<sup>C</sup> <sup>D</sup> <sup>Bm</sup> <sup>Em</sup> <sup>Am</sup>  
But I, I'm doin' just fine, getting along very well  
Without you in my life (I don't need you in my life)  
<sup>C</sup> <sup>D</sup> <sup>Bm</sup> <sup>Em</sup>  
But I, I'm doin' just fine  
<sup>F</sup>  
Time made me stronger  
<sup>D</sup> <sup>C</sup> <sup>Em</sup> <sup>D</sup>  
You're no longer on my mind

[Segunda Parte]

<sup>G</sup> <sup>C</sup>  
You were my earth, my number one priority  
I gave my love to only you  
Anything you'd ask of me, I would do  
<sup>G</sup>  
But somewhere down the road  
<sup>C</sup>  
You felt a change in the weather and told  
Me that you had to journey on  
<sup>C</sup>  
A kiss in the wind and your love was gone, all gone

[Pré-Refrão]

<sup>Em</sup>  
Now you say that you made a big mistake  
<sup>Bm</sup>  
Never meant to take your love away  
<sup>Am</sup>  
But you can save your tired apologies  
<sup>D</sup> <sup>Dadd9</sup>  
Cause it may seem hard to believe
