tom:
Intro: ^G ^C ^G ^C
^G ^C ^G ^C

[Primeira Parte]

^G ^C
There was a time, when I thought life was over and out
When you went away from me
My dying heart made it hard to breathe
^G ^C
Would sit in my room because I didn't want to have to go out
And see you walking by
One look and I'd break right down and cry

[Pré-Refrão]

^{Em}
Now you say that you made a big mistake
^{Bm}
Never meant to take your love away
^{Am}
But you can save your tired apologies
^D ^{Dadd9}
Cause it may seem hard to believe

[Refrão]

^C ^D ^{Bm} ^{Em} ^{Am}
But I, I'm doin' just fine, getting along very well
Without you in my life (I don't need you in my life)
^C ^D ^{Bm} ^{Em}
But I, I'm doin' just fine
^F
Time made me stronger
^D ^C ^{Em} ^D
You're no longer on my mind

[Segunda Parte]

^G ^C
You were my earth, my number one priority
I gave my love to only you
Anything you'd ask of me, I would do
^G
But somewhere down the road
^C
You felt a change in the weather and told
Me that you had to journey on
^C
A kiss in the wind and your love was gone, all gone

[Pré-Refrão]

^{Em}
Now you say that you made a big mistake
^{Bm}
Never meant to take your love away
^{Am}
But you can save your tired apologies
^D ^{Dadd9}
Cause it may seem hard to believe
