Once a story's told  
It can't help but grow old  
Roses do lovers too  
So cast your seasons to the wind  
And hold me dear oh hold me dear

Close the window calm the light  
And it will be alright  
No need to bother now  
Let it out let it all begin  
All's forgotten now  
We're all alone oh oh we're all alone  
Close the window calm the light  
And it will be alright  
No need to bother now  
Let it out let it all begin  
All's forgotten now  
We're all alone we're all alone  
Let it out let it all begin  
Owe it to the wind my love
