

# Brand New - The Boy Who Blocked His Own Shot

Tom: G  
Intro: G D C

G  
If it makes you less sad  
D  
I will die by your hand  
I hope you find out what you want  
C  
I already know that I am

G  
And if it makes you less sad  
D  
We'll start talking again  
And you can tell me how vile  
C  
I already know that I am

G  
I'll grow old  
D  
And start acting my age  
I'll be a brand new day  
C  
In a life that you hate

G  
A crown of gold  
D  
And a heart that's harder than stone  
And it hurts a whole lot  
C  
But it's missed when it's gone

G D  
Call me a safe bet  
C  
But I bet that I'm not  
G D  
I'm glad that you can forgive  
C  
I'm only hoping as time goes by  
You can forget  
( G D C )

G  
If it makes you less sad  
D  
I'll move out of the state  
You can keep to yourself  
C  
I'll keep out of your way

G  
And if it makes you less sad  
D  
I'll take your pictures all down  
Every picture you pain  
C

I will paint myself out

G  
It's as cold as a tomb  
D  
And it's dark in your room  
When I sneak to your bed  
C  
To pour salt on your wounds

G  
So call it quits  
D  
Or get a grip  
You say you wanted a solution  
C  
But you just wanted to be missed  
G D  
Call me a safe bet  
C  
But I'm betting I'm not  
G D  
I'm glad that you can forgive  
C  
I'm only hoping as time goes by  
That you can forget

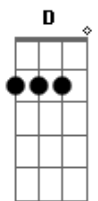

( G D C )

G  
You are calm and reposed  
D  
It lets your beauty unfold  
Pale white like the skin  
C  
Stretched over your bones  
Spring keeps you ever close  
G  
You are second hand smoke  
You are so fragile and thin  
D  
Standing trial for your sins

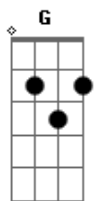

Holding onto your self  
C  
The best you can  
You are the smell before rain  
G  
You are the blood in my veins

G D  
Call me a safe bet  
C  
I'm betting I'm not  
G D  
I'm glad that you can forgive  
C  
I'm only hoping as time goes  
G  
That you can forget
