

Brandi Carlile - Josephine

tom:
Ab (forma dos acordes no tom de G)
Capostrate na 1ª casa

Take me back Josephine
To that cold and dark December
I am missing someone but I don't know who
Now I'm standing alone
And I'm trying to remember
Sometimes I wonder how I ever
Started loving you

Noontime wind can you blow
For me one more time and take me
On back to the start
Where the midnight moon
Shines so bright
Nearly pulled us up to heaven
By the strings of our hearts

Take me back Josephine
To that cold and dark December
I am missing someone but I don't know who

Acordes

Now I'm standing alone
And I'm trying to remember
Sometimes I wonder how I ever
Started loving you
Morning sun shine on me
Come light inside my window
And rest on my brow
Kiss my eyes when I sleep
And carry me back home
If my dreams will allow

Take me back Josephine
To that cold and dark December
I am missing someone but I don't know who
Now I'm standing alone
And I'm trying to remember
Sometimes I wonder how I ever
Started loving you
Someone help me understand why I'm still loving you
