Am
I've been down with a broken heart
Since the day I learned to speak
The devil gave me a crooked start
When he gave me crooked feet
But Gabriel done came to me
D **Am**
And kissed me in my sleep
And I'll be singing like an angel
Am
Until I'm six feet deep
Am **D** **Am**
I found myself an omen and I tattooed on a sign
D **Am**
I set my mind to wandering and I walk a broken line
You have a mind to keep me quiet
D **Am**
And although you can try
Better men have hit their knees
E **Am**
And bigger men have died
G **Am**
I'm gonna raise, raise hell
G **Am**
There's a story no one tells
D **Am**
You gotta raise, raise hell
D **E** **Am**
Go on and ring that bell
Am
You came upon a lightning strike
D **Am**
And eyes of bright clear blue
I took a tie from around my neck

D **Am**
And gave my heart to you
I sent my love across the sea
D **Am**
And though I didn't cry
That voice will haunt my every dream

Until the day I die

To put you in your grave
At this point it was you and me

And looked me in the eye
And I went down with such a force
That in your grave I lie
