

Brandon Flowers - Right Behind You

tom:
Intro: Am Em F C Em

As by the door to get to heaven

Seven trumpets big and bright

A caution to the children

Time to turn your crimson white

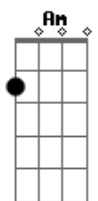

C Em
We've all got reservations
Am
Trials will come suddenly
Em
And without explanation
F
But you were born with goodness

You were born with goodness
G
Wherever you go now

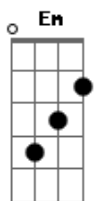

F C
I'm right behind you
E Am
In the light of hope
F C
I'll be beside you
E
On that dusty road
F C
And if you get blind, well that's alright
E Am
Wicked winds blow with grace and might
F C E
Cling to the ways of my name

When you touch the stone
