

Brandon Heath - He Is Not Worried

tom:

Intro: D Gbm C G

[Primeira Parte]

Forget counting sheep Can't go to sleep
Thunder and lightning beat down on the street
Reluctantly walking downstairs
I know he's still up down there
Reading his bible At the kitchen counter
Like only a watchman would do at this hour
Says come over here little man
With a warm glass of milk in his hand

[Refrão]

And if he's not worried
Then I'm not worried
I lean on him like a rock
I know that nothing can hurt me
Steady and stable
Stubbornly faithful
Man of his word and he's worthy
Patient and not in a hurry

And he is not worried, No, no
He is not worried, No, no

[Segunda Parte]

Never expected He'd be here forever
Guess I just thought we would grow old together
He'd see my kids and he'd say
I told you you'd turn out okay
But he leans in to whisper It's okay to be sad
This won't change a thing I'll always be your dad
I held on tight as I prayed
He said son you know I'm not afraid

[Refrão]

And if he's not worried
Then I'm not worried

Acordes

I lean on him like a rock
I know that nothing can hurt me
Steady and stable
Stubbornly faithful
Man of his word and he's worthy
Patient and not in a hurry

And he is not worried, No, no
He is not worried, No, no

[Ponte]

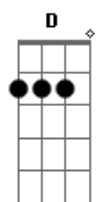

So when I get a little restless
With the storms of the world
And I'm up praying in the kitchen
For my own two little girls
I won't let fear take hold of my hope
Not in my house or my heart 'cause I know

[Refrão]

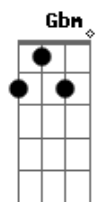

If he's not worried
Then I'm not worried
I lean on Jesus is my rock
I know that nothing can hurt me
Steady and stable
I am so grateful
God of his word and he's worthy
Patient and not in a hurry

And he is not worried, No, no
He can't be shaken, No, no
Ooh
Ooh
Ooh

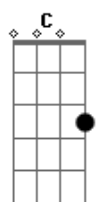

He is not worried
So don't you're worried?
Worry, worry
He is not going anywhere
He is not worried
