

Brandon Lake - The Great I Am Can

tom:
Intro: Dm C G
Dm C G

Every battles yours, before it even comes
When the arrows fly, You will stand in front
You will make a way where there isn't one
And though it's hard to see I still believe it's done

I can't do it but the great I am can
I can't do it but the great I am can
Who can move the mountain
Who can split the ocean
I can't do it but the great I am can

(Dm C G)
(Dm C G)

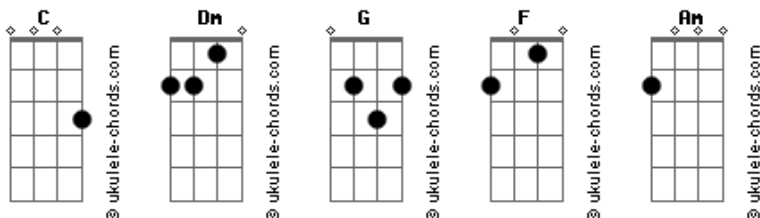

I've been here before, I know how this ends
It's not if You will, I'm convinced it's when
'Cause You have made a way, and You will again
'Cause You're holding my tomorrow in Your hands
And a Faithful God is all You've ever been

I can't do it but the great I am can
I can't do it but the great I am can
Who can move the mountain
Who can split the ocean
I can't do it but the great I am can

Yes You can
I know You can, I know You can
Yes You can
I know You can, I know You can

If I ask anything in Your name You can do it
(Only You)
If I have just a little bit of faith You can move it
(Mountain move)
