

# Brandon Lake - When a Cowboy Prays

tom:  
Bb (forma dos acordes no tom de G )  
Capostrate na 3ª casa

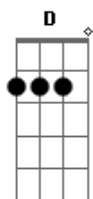

Hangs his hat upon a tree  
Bows his head, bends his knee  
Only asks for what he needs, and Jesus listens  
A little bread for today  
A little water, a little shade  
To forgive just as he has been forgiven

When a cowboy prays  
It starts raining in Oklahoma  
Long lost sons come home to momma  
And those stubborn horses break  
When a cowboy prays  
It's a whisper and a rumble  
It's as strong as it is humble  
This old world just ain't the same  
When a cowboy prays  
When a cowboy prays

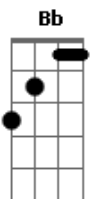

Folds his calloused hands together  
'Round a Bible bound in leather  
Just as worn and just as weathered  
As the lines upon his face  
All the horses in the stable  
All his family 'round the table  
All of Heaven listens in to every word he has to say

When a cowboy prays  
It starts raining in Oklahoma  
Long lost sons come home to mama  
And those stubborn horses break  
When a cowboy prays  
It's a whisper and a rumble  
It's as strong as it is humble  
This old world just ain't the same  
When a cowboy prays  
When a cowboy prays  
When a cowboy prays its for the grit  
And grace to get back up again  
When a cowboy prays its starts with  
Thanks and ends in Jesus name amen  
When a cowboy prays all of heaven listens  
When a cowboy prays you dont wanna miss it  
When a cowboy prays  
It starts raining in Oklahoma  
Long lost sons come home to mama  
And those stubborn horses break  
When a cowboy prays  
It's a whisper and a rumble  
It's as strong as it is humble  
This old world just ain't the same  
When a cowboy prays  
When a cowboy prays  
When a cowboy prays
